

Resources helping FAN members forward

In times like these, the right advice can be crucial in helping your business survive - and thrive. And while this situation is unprecedented, we at Bentleys have more than 70 years' experience specialising in helping businesses grow through the good and the bad.

We know this disruption calls for decisions to be made, with lots of elements to consider. That's why we have built resources tailored for business owners like you, to help guide you through this phase and think ahead.

Find out about government tax support measures, how to access JobKeeper, what to do if you're considering re-engaging staff, how to sustain your commercial property business, and what business insurance relief you can get.

We can help you understand all the benefits you can take advantage of, and how best to carve out the road forward.

- **Your guide to government tax support**

With three rounds of stimulus measures rolled out by the Government, there are plenty of opportunities to get financial support if you need it. We've put together an all-encompassing summary of these support measures, in the one place, to make sure you know what's available and how it can help your business. www.bentleys.com.au/knowledge-centre/coronavirus-tax-summary-update/

- **Accessing JobKeeper for your business**

JobKeeper payments are a valuable lifeline for businesses. To help you claim your entitlement if you're eligible, our tax experts have created a comprehensive JobKeeper Access Guide. www.bentleys.com.au/knowledge-centre/what-you-need-to-know-to-access-jobkeeper-payments/

- **Re-engaging employees with JobKeeper**

Under the JobKeeper scheme, you might now be considering re-employing or re-engaging employees. Find out how this can affect your cashflow, and how to know if JobKeeper is right for your business. www.bentleys.com.au/knowledge-centre/jobkeeper-and-employee-re-engagement/

- **Insights for commercial property owners**

How do you sustain your commercial property business during the downturn? Decisions you make now may have a permanent impact on your property value once this situation ends. This guide covers everything you need to consider, and gives you practical pointers to keep your commercial property business afloat. www.bentleys.com.au/knowledge-centre/covid19-insights-for-commercial-property-owners/

- **Tapping into small business insurance relief**

Insurers are offering small businesses relief measures to help them during this tough time. Find out what they're offering, who's eligible, and other important information. www.bentleys.com.au/knowledge-centre/covid-19-small-business-insurance-relief-package/

How we can help

At Bentleys, we are committed to helping businesses come out of this in good shape. These resources - and more - are available on our [COVID-19 resource hub](#) where you can find specialised information for business owners.

Contact your local Bentleys advisor for a no-obligation initial discussion, if you would like assistance with your arrangements.
